

**DESCRIPTION** Murano glass trihedrons diffuse light throughout the surrounding space, forming linear reflections on the wall. Crown Wall's luminous sculptured form consists of a burnished brass or matte black nickel structure, which frames the trihedrons, enhancing their splendour. The light is diffused through glass that comes in a choice of crystal, amber, or smoke grey. Crown is also available in ceiling and suspended versions.

<b>PRODUCTS DETAILS</b>	<b>FUNCTION</b>	WALL
