

**DESCRIPTION** Optical Suspension 3's burnished natural brass structure supports three amber, smoke grey, or crystal coloured glass trihedrons, constituting a composition that fluctuates lightly in the surrounding space. A delicate combination of primary forms and noble materials is enhanced by the light source that passes through the Murano glass diffusers, radiating a soft linear light. Optical is available in wall, floor, and single-element suspension versions.

<b>PRODUCTS DETAILS</b>	<b>FUNCTION</b>	SUSPENSION
