

DESCRIPTION Unique Suspension is the result of a journey of experimentation that leads to the purity of forms. This suspension lamp explores the consistency of the cylinder through its soft and enveloping lines, and the lightness of the glow that passes through it. The four glass diffusers, available in white satin, polished white or amber alabaster, are embraced by a light or dark burnished brass structure. Unique is also available in a simplified wall version.

PRODUCTS DETAILS	FUNCTION	SUSPENSION
