DESCRIPTION

Switch extends light control within Venicem's cordless collections. It is available in two configurations: dimmable Switch, for progressive light adjustment, and on/off switch with push-button control. The compact circular body, made of solid burnished brass, integrates seamlessly into the wall. Available in Light Burnished Brass and Dark Burnished Brass, Switch is designed for wireless ceiling, wall, and suspension lamps. It is suitable for both residential and contract applications, from living areas and bedrooms to hotels, boutiques, and showrooms.
